Would you please do the following:

- Please keep an archive called Chief of Police Committee that includes all emails sent to the Town relating to Chief Pruitt's retirement and the search for his replacement. Please begin with the one Mayor Dan send prior to the April 10 meeting.
- Please post on the Town website the Job description and how to apply.. I have created a new job description and sent to Dick to review. I will then send to Mayor Dan for his approval with any changes. You can do this once it's finalized.

To find an easy to see spot, I suggest that you remove [Centers for Disease Control](#) (which is a broken link) and replace with this:

Jupiter Inlet Colony Accepting Applications for Chief of Police

Please link to the job description ensure that the same information and invitation to apply on the JIC Police home page.

- Please post on the Town website a link to PDFs of all communication from the Committee to the Residents.

Please let Commissioner Busto and me know when the links are live, and of course, please call if you have any questions. This should be done by next Tuesday.

Please provide link to the PB Post advertisement as I cannot find it through searching.

Thanks,

Chip

For full transparency is critically important in this process and we appreciate the support you'll provide toward that end.
