Jupiter Inlet Colony sent you an important message.

Ivelisse Chico-Randazzo, Town Clerk,

Chief of Police Committee documents are now on JIC's new website.

**As referenced in the Selection Committee's last email, the town's new website is now live. Same address:
<http://www.jupiterinletcolony.org>.**

We built it for functionality: ease of use. All information and documents of the Police Chief Selection Committee are available from the homepage. Please note that not all of the resident correspondence about the Chief selection has been posted, but it will be soon.

We thank Town Clerk, Ivie Chico-Randazzo, for her work in getting the new site finished. She welcomes your comments and any suggestions you may have to enhance it.

**Chip Block
Vice Mayor, Jupiter Inlet Colony**
