Subject: Nomination for the Position of Chief of Police - Jupiter Inlet Colony

Dear Members of the Selection Committee, Sherri Resnick, and Jupiter Inlet
Colony Commissioners,

I hope this letter finds you in good health and high spirits. I am writing today to formally recommend Police Captain Jim Matthews for the position of Chief of Police for Jupiter Inlet Colony. I have been a resident of our wonderful town for over two decades and have personally seen the dedication, professionalism, and community spirit that Captain Matthews brings to his role every day.

Captain Matthews has served our community for several years now, demonstrating not only his strong command and knowledge of law enforcement but also his unwavering commitment to the residents of Jupiter Inlet Colony. His integrity and honesty are beyond reproach, traits that are fundamental to the role of Chief of Police. He has proven time and again that he can be trusted to make the right decisions, even under the most challenging circumstances.

Furthermore, Captain Matthews has a unique and personable approach to his work that has earned him the respect and trust of our community. He has actively fostered positive relationships with residents, businesses, and local organizations,

showing that he truly cares about the people he is sworn to protect and serve. His accessibility, understanding, and open communication are qualities that have endeared him to all of us.

Promoting Captain Matthews to the position of Chief of Police would not only be a testament to his hard work and dedication but would also ensure continuity and stability within the Jupiter Inlet Colony Police Department. He is a leader who knows our community well, understands our needs and concerns, and has a clear vision of how to maintain and enhance the safety and well-being of our town.

I strongly urge the selection committee and the commissioners to consider Captain Jim Matthews as a highly suitable candidate for the position of Chief of Police. His integrity, honesty, community engagement, and leadership capabilities make him the ideal choice to lead our Police Department into the future. Commissioners, as your constituents we have elected you to represent us in your decisions, and I truly hope that this decision will reflect what we have entrusted to you.

Thank you for your time and consideration. I am confident that with Captain Matthews at the helm of our Police Department, the Jupiter Inlet Colony will continue to be a safe, welcoming, and harmonious place for all residents.

Sincerely,

Daniel Mellusi
