Chip,
Could you please send my letter to the commissioners and committee. I sent this out individually to all, but received a few kick backs on mail failure. Thank you !

Dear Members of the Selection Committee and Jupiter Inlet Colony Commissioners,

I am writing in support and recommendation of Captain Jim Matthews for the position of Chief of Police for the Jupiter Inlet Colony. I have been a resident for twenty two years now and I can confidently say that over the past 11 years having Captain Matthews police our community has made our family feel safe and well protected.

Captain Matthews exemplifies the qualities, capabilities, responsibilities, leadership, and honesty for the position as Chief of Police for JIC. Captain Matthews serves the JIC community with integrity, respect, professionalism, and with gratitude. He takes pride in his work and is actively involved in fostering positive relationships within our community.

Promoting Captain Matthews to the position of Chief of Police would continue to foster the excellence of the very low crime rate we currently have and the genuine cares he has for each one of us! I believe if Captain Matthews is elected as Chief of Police he will aid in building an effective team of police officers to serve our community who will work diligently on our behalf.

The next Chief of Police is crucial to the continual growth of our community as neighbors who support one another through unity and peace. **Recommending Captain Matthews is not based on popularity performance, but whole heartedly on his interpersonal skills, emergency management, and his unwavering attentiveness to expand excellence in our town and among one another.**

I respectfully ask that the selection committee and the commissioners will highly take into account what and who the residents of JIC recommend and want as their next Chief of Police.

Sincerely,
Natalie Mellusi
