To: Co Chairs on the Selection Process for the JIC Chief of Police

Gentlemen,

I just heard some strange info, and I'm sure I'm not alone.

The rumor is Officer Matthews was terminated today by Chief Deputy Freeman. I assume they were both planning to apply and compete for the Chief position. I'm writing to you because your committee is spearheading the selection process.

I know you both have a lot on your plates, but may I suggest some form of a town meeting, or written communication summarizing what is going on?

I'm trying to follow the progress of your committee, but this info, without explanation, is perplexing.

Someone suggested to me a quickly organized town meeting would be helpful, so we can all be on the same page.

Best,
Sherry Karas
