Dear Commissioners:

We were notified that Chief Pruitt will be resigning this May. We would like to strongly throw our support for Officer Jim Matthews to replace him in this capacity. He holds a very special place in this community with residents. He is a very genuine, compassionate and helpful officer who fits very well in this small community. He has personally helped us with issues and we cannot throw enough praise his way with his professional but comforting approach to delicate situations. Please do not deny him this professional growth opportunity that he well deserves. He would do an outstanding job as our Chief of police.

Respectfully,
Karen Castaldi
