Subject: Letter in Support of Jim Matthews for Chief of Police
Date: Wednesday, April 5, 2023 2:39:51 PM

Hello Mayor Dan and Commissioners,

Just a quick note in support of Jim for Chief of Police. Not sure how there can be another choice.

He is a police officer for the people of JIC and would be a wonderful Chief. He gets the uniqueness of this community. He is truly here to protect and serve. We are a small community and it is very important to have someone who is truly part of the fabric of this community and treats it as such. He takes his job very seriously but also can have some fun with all of us.

Thank you,

Laura and John Mariano
