Thank you Dick. We've heard that someone was hired as Deputy Chief from Riviera Beach police who doesn't have a great reputation!

Thank you Terry. Many others in JIC feel as you do. Jim will absolutely be considered for the position along with other candidates by a committee that we will appoint to review all applicants and make a recommendation to Dan. Ultimately it his decision to make. Residents will have an opportunity to input their preferences to the committee. Keep making your voice heard.

Thank you,

Hello Dan,

Word is out that John Pruitt is leaving as chief of police in May and I would like to offer my support for Jim Matthew's as his replacement. Captain Matthew's has always been helpful to us and our community, has great relationships with everyone here in JIC, and deserves the position. He is always a great steward of JIBC when we needed police assistance. I can't imagine anyone more qualified.

Sincerely,

Terry Hocevar
