Hello all,

The Davis family is devastated to learn of the retirement of chief Pruitt. We can't imagine JIC without him. He's an incredible man and those are very big shoes to fill. The entire force is amazing.

However, there is Jim Matthews who is so deserving and in our opinion has earned to be the new chief of police.

Not only do we trust him but we feel safe and we can count on his help no matter what the situation. He works above and beyond the call of duty whether it be JIC emergencies, social events, animal issues etc. You name it, he is right there to help.

Please put Jim Matthews at top of list for the next chief of police.

Sincerely,

The Davis family

Linda, Todd, Cory, Lane and Lily
