Subject: Chief of Police position

Good morning, Mayor Dan,
I'd like to add my note to the chorus of others you've no doubt received in support of Officer Matthews being named to succeed John Pruitt. From the time we settled in JIC, we have always regarded Officer Matthews as an exceptionally important asset to our town. I think he has proven himself to be worthy of the position, and would encourage you to promote from within. We would be fortunate indeed to have him in place as Chief of Police.

Thank you for your consideration.

Mary
