Dear Vice-Mayor MJ “Chip” Block

Through his years of service with us, Jim Matthews as demonstrated countless times he is a loyal member of our community, has the manners and credentials to deal and resolve the different police matters that arise and always has a reasonable and gentle approach with all of us.

Myself, Vilma Smith and my Husband Richard Smith want to be on record that we support James Matthews to be our next Chief of Police.

Please forward this email to the Commission recently designated to address the chief of police process and to everyone else involved in the matter.

Sincerely,

Vilma & Richard Smith
