Profile

Group 2

Marie is originally from Kentucky but has been a FULL-TIME resident in JIC, since 1989, and she lives here year-round. She served as a Town Commissioner from 1998-2000, under Mayor John Miner, and was instrumental in organizing a committee to standardize the review of all landscaping plans before building permits were issued.

In the past, she has been a benefactor and fundraiser of the American Cancer Society. She has served the Boards of several organizations such as the Loxahatchee Historical Guild, the Lighthouse Arts Center, and Mental Health Association and the Governmental Affairs Committee for the Board of Realtors. Marie is a current Florida real estate broker associate and has been

licensed since 1981. She has been a member of the Beach Club since 1990 and a member of the Garden Club since 1991.

Her prior service for the Town made her familiar with building codes and approval processes in other towns, risk management, conflict resolution, budgets, taxes and millage and how it relates to property values. Marie is vigilant about preserving the integrity and the unique character of the Town.

Marie is always available and you can contact her at the email link above.
