I am aware that you all have received many letters, emails and messages regarding this important task. I will make this one short.

I have lived in the Colony for 27 years. My husband, Don, fell in love with it and never looked elsewhere. During his illness and then when he passed there was one fine man who assisted me in so many ways. And continues to do so. It is a very special community where one knows there is someone one can turn to for not just police matters but for many needs. Jim Matthews is a fine human being who has gone beyond just policing but who cares about this community and its residents. He has always gone an extra step for me and I am sure others. I feel protected and comforted that he takes care of our town.

This is such a unique little city. Please keep the flavor of it for its grateful residents. Jim cares and has proven his capability. He would be a wonderful Chief of Police.

Thank you for your kind attention.
