

Governor Declares State of Emergency

News Release Date

08-26-2023

Dear JIC Residents,

Governor DeSantis has declared a State of Emergency for multiple counties in Florida due to the possible impact of tropical activity. However, we are not included in this State of Emergency at this time. JICPD is closely monitoring the tropical weather at all times. We will alert you of any changes that threaten our area.

Thank you,

JICPD
